FRESH N' SEALED®

With Fresh N' Sealed® tamper-resistant packaging, you get a refreshingly simple and streamlined design. No shrink bands. No film sealing. No added costs or complexities. Just a pure and simple design that preserves freshness and helps your product shine on the shelf — all while helping you achieve your sustainability goals. Our Fresh N' Sealed® line features our sustainable ReCERTA™ material, which includes a minimum of 10% PCR content on average.

Select from a range of sizes and styles, from 4 oz through 120 oz., single-compartment to multi-compartment configurations..

- Tamper-resistant
- Tight seal leak-resistant lids
- Intuitive easy-to-use design
- 100% Recyclable
- Superior clarity

SANDWICHES, HOAGIES, WRAPS & PINWHEELS

Sleek designs and versatility unite with our sandwich, sub, hoagie, and wrap packaging series. The contemporary look is sure to merchandise food for superior shelf presentation without sacrificing functionality or flexibility.

Our sandwich and wrap containers help your products stay fresh longer and are a welcome addition to on-the-go and deli sections. Supermarkets, schools, sandwich shops, restaurants, and more can all enjoy the durable and sustainable construction our solutions provide.

ABOUT OUR COMPANY

Lacerta Group, LLC has provided custom and stock packaging solutions for food processors and supermarkets for over 30 years. From educating customers on sustainability best practices to providing comprehensive life cycle assessments, our mission is to deliver packaging solutions that are good for our customers and good for the planet. Our latest commitment to sustainable business practices is our ReCERTA™ material, which includes an average of 10% or more PCR content across all our PET-based products.

Lacerta is known for our speed to market, innovation, and partnership. We work hand-in-hand with our customers to meet their unique food packaging requirements and deliver products that maximize performance and appeal. Whatever your needs across the product life cycle, our fully integrated design and manufacturing platform can help you tackle any packaging challenge.

Our success is rooted in successful outcomes for our customers — and their customers.
