## ABOUT OUR COMPANY

Lacerta Group, LLC has provided custom and stock packaging solutions for food processors and supermarkets for over 30 years. From educating customers on sustainability best practices to providing comprehensive life cycle assessments, our mission is to deliver packaging solutions that are good for our customers and good for the planet. Our latest commitment to sustainable business practices is our ReCERTA™ material, which includes an average of 10% or more PCR content across all our PET-based products.

Lacerta is known for our speed to market, innovation, and partnership. We work hand-in-hand with our customers to meet their unique food packaging requirements and deliver products that maximize performance and appeal. Whatever your needs across the product life cycle, our fully integrated design and manufacturing platform can help you tackle any packaging challenge.

Our success is rooted in successful outcomes for our customers — and their customers.

Made in the USA
